ARCOT DEVARAJ,
Manager.

OFFICE OF THE JUNIOR ASSISTANT BOTANIST, PADDY BREEDING STATION, NAGENAHALLI.

Notice No. 71, *dated* 21*st July* 1933.

Sealed tenders will be received by the undersigned up to 2 P.M. on Saturday the 12th August 1933, for the supply of Cattle feed and miscellaneous articles required for the Paddy Breeding Station, Nagenahalli, Mysore Post, during the official year 1933-34.

The approximate quantities and description of the articles required are given in the statement given below. Tenders should be superscribed "Tenders for the supply of cattle feed and miscellaneous articles for the Paddy Breeding Station, Nagenahalli, during the year 1933-34."

An earnest money of Rs. 100 should accompany the tender, without which the tender will not be received.

Tenderers should quote for the delivery of the articles on the Breeding Station (which is 5 miles from Mysore on Bangalore-Mysore Road.)

The quantities given in the accompanying statement are only approximate and the actual quantities to be purchased during the year may be either more or less. If the quantities more than those mentioned in the schedule are required, the successful tenderer will be bound to supply such additional quantities at the same accepted rate.

No claim for compensation on account of rise in prices due to whatever causes will be entertained during the contract period.

The successful tenderer, should be prepared to supply such quantities of various articles as may be required from time to time, such indents being complied with within two days from the date of their receipt.

The undersigned does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within three days from the date of acceptance of tender.

Fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee. Totals of bills for less than Rs. 25 will be rounded to the nearest anna.

The articles to be supplied should be good and will be liable to be rejected at the expense of the tenderer, if they are otherwise.

The earnest money deposited with the tender will be forfeited to Government, if the tenderer whose tender is accepted fails to execute the necessary agreement. The earnest money on the rejected tenders will be returned.

Should the successful tenderer fails to comply with any of the conditions stipulated in the contract let to him, his contract shall forthwith be cancelled and the earnest money forfeited to Government. Further, in the event of the successful tenderer failing to fulfil the contract within the specified time, the undersigned reserves the right to purchase against him in the open market at his risk and expense and claim damages.
